TO PETITION TOWN COUNCIL ON BOROUGH PLAN, ZONING

Petitions asking the Gettysburg Borough Council to "proceed at once with the preparation of a comprehensive plan for a future development of this community which shall include a zoning ordinance to protect the residential area of the community from commercialization" were being circulated in several sections of town today.

Identifying the signers as "citizens of Gettysburg," the petitions are directed to the borough council which will hold its May meeting next Monday evening. Whether the petitions will be presented at that time was not known today.

In the north end of town, some of the petitions are being carried by persons whose names appear among the 99 plaintiffs in the Huber equity action but in other parts of the borough there were persons circulating the papers that have no connection with the Huber gas station suit.

Want "Town Plan"
The petitions urge council to "indicate immediately by appropriate resolution its concern over the past and pending invasions of their residential areas of the community by various types of business enterprise and its intention to take prompt action to protect those areas in the future."

In addition to asking Council direct the Planning Commission named

H. A. STURMS IS BEING TRIED ON THREE CHARGES

Trial of H. A. Sturms, New Oxford R. 1, on charges of resisting arrest, aggravated assault and battery and driving a motor vehicle while under the influence began this morning in Adams County court after Herman L. McConnell, Harrisburg, whose trial on a drunken driving charge began Monday, was found guilty of the charge.

The jury in the McConnell case spent 15 minutes in reaching its decision, handed up at 10:30 o'clock.

While the McConnell jury was deliberating, a jury was drawn for the Sturms trial.

Police Chief Testifies
New Oxford Police Chief Walter E. Bemiller testified that he was called to the scene of what appeared to be an auto accident and found Sturms in his car. "I got out of my car and went over to Sturms. His head was dropped down on the wheel like he was asleep," Chief Bemiller said. "When I opened the door I asked what the trouble was. From his eyes, the way he talked, and a strong alcoholic breath I determined he was under the influence of intoxicants. I said, 'I'll take you home.' He said, 'You'll take me nowhere. I drove myself here and I'll drive home.'"

"He started racing the motor and I reached in to turn off the ignition so he couldn't drive. He struck me in the face. It wasn't a terrific blow. He just hit. I told him I

VFW Moves Into Its New Quarters

Gettysburg Post No. 15, Veterans of Foreign Wars, has moved into its new \$100,000 home, 369 East Middle St., from its temporary quarters on Chambersburg St., and will be open at 4 o'clock this afternoon.

Wednesday evening at 8 o'clock the post will hold its first meeting in its new home.

Kitchen facilities are available.

N. DEAN STARRY IS GUILTY OF DRUNK DRIVING

N. Dean Starry, 19, York Springs R. 1, was found guilty Monday afternoon of driving while under the influence of intoxicants by a jury that deliberated 15 minutes before returning its verdict. The jury retired at 3:18 and returned at 3:33 o'clock, when Foreman Clarence Krichen, Littlestown, handed up the decision to the court.

Starry had admitted to drinking the equivalent of 6½ "regular sized" bottles of beer during the evening prior to an accident at York Springs, but claimed he was not "under the influence." Dr. Bruce N. Wolff, hospital surgeon here, said his examination of the youth showed him to be intoxicated and said that injuries received in the accident would not have caused the reactions which he attributed to alcohol. Dr. Wolff told the jury that when Starry was being treated at the hospital shortly after the accident the young York Springs area resident told a nurse: "Baby, if I weren't so drunk I could go for you."

Enters Guilty Plea
District Attorney Danley E. Teeter reported in court that Arnold Smith, New Oxford, charged with driving while under the influence, one of the defendants scheduled for trial this week, has entered a plea of guilty to the charge.

Judge W. C. Sheely appointed Attorney J. Francis Yake Jr., as master in the divorce action brought by Angel Franco Rodriguez, Get-

WILL PRESENT PLAY CONTEST IN BIGLERVILLE

The Biglerville High School Theatrical Society will sponsor a one-act play contest for the benefit of the senior high school. Each of the three upper classes will present one play to be cast and directed by members of that particular class. The plays will be presented Wednesday at the Biglerville Grade School auditorium at which time a award will be presented to the cast giving the best performance and also to the best actor and actress.

The senior class has chosen an all-girl cast drama, "Tell Dorie Not to Cry" by Guernsey Le Pelley, directed by Janet Beitman. The action takes place in the apartment of "Dorie," Kay Sheats, and "Patricia," Melinda Hauser, in Honolulu, Sunday morning, December 7, 1941. With their friends "Georgia," Jean Hykes; "Babette," Barbara MacBeth, and "Fern," Shirley Peters, who is a nurse in a Honolulu hospital, they are awaiting the arrival of Patricia's fiancé. The couple are to be married at 11 a.m. However, the arrival of "Mrs. Kitcher," a nurse played by Glenda Freed, bringing the news of the Japanese invasion of Pearl Harbor cancels all of their plans.

"High Window"
A drama by Verne Powers, will be presented by the junior class with Ray Schwartz and Gene Sheaffer as directors. The action tells how it is over a year since wealthy Warren Winthrop fell to his death from a window high up in the old family

St. Ignatius Women Select Officers

Miss Catherine E. Miller was re-elected president of the St. Ignatius parish Council of Catholic Women, at a recent meeting at the home of Mrs. Dale Baker, Buchanan Valley. Other officers elected were: Vice president, Mrs. Elizabeth Dillon; secretary, Mrs. Teresa Irvin, succeeding Miss Betty Hall, and treasurer, Miss Vergie Hall, succeeding Mrs. Frank Dillon.

Reports were given by the secretary and treasurer. Miss Miller urged the women to attend the quarterly deacony meeting, Sunday in Hanover, as well as the Harrisburg diocesan convention, to be held May 9 in Lebanon. Reservations must be made by April 30, she said. It was announced that anyone wishing to give new infant or children's garments to the Holy Father's store room may give them to the president.

After the recitation of the rosary, refreshments were served by Mrs. Baker and Mrs. Frank Dillon, co-hostess. The next meeting will be held in May at the home of Mrs. Elizabeth Dillon, Buchanan Valley.

Receives Heifer For President

General Arthur S. Nevins (right), Biglerville Rd., is shown accepting a prize heifer, on behalf of President Dwight D. Eisenhower, from the Heart of Ohio Aberdeen-Angus Breeders' Association, in Columbus, Ohio, Saturday. The presentation was made by Russell Eversole, of Basil, Ohio, president of the association. The heifer will be shipped to the President's farm here.

AUXILIARY WILL GIVE \$3,742 TO HOSPITAL DRIVE

Final plans for the annual Rotary-Auxiliary rummage sale, to be held Friday and Saturday in the Hotel Gettysburg Annex were outlined Monday afternoon at a meeting of the Auxiliary of the Warner Hospital in the board room of the hospital.

Mrs. John D. Teeter, hospital auxiliary chairman for the joint event, said the sale will be held from 7 a.m. to 5 p.m. on Friday and from 7 a.m. "until everything is sold" on Saturday. Proceeds will be used to finance hospital projects.

She made a plea for all auxiliary members and Rotary members and "anyone else who may wish to donate" to bring rummage to the Hotel Annex Thursday afternoon or evening.

Mrs. Howard Hartzell, treasurer, reported that the auxiliary has \$3,742 in its building fund which will be given to the hospital fund drive.

Membership in the auxiliary now totals 599 according to the report of Mrs. Wilmer Roth, membership chairman. Mrs. LeRoy Winebrenner, house committee chairman, reported that curtains for the two maternity wards were paid for by the Emmitsburg VFW and the Hospital Bridge Club of Gettysburg.

She reported also on the "great

4 Killed When Stolen RAF Plane Crashes in France

VALENCIENNES, France (AP) — A Royal Air Force training plane stolen from a station in Britain crashed about midnight at the nearby mining village of Vicq, killing at least four persons and seriously injuring two others.

Police said no trace of the pilot was found. He was a young RAF corporal. A ground crewman with only a student pilot's license, he had flown dizzily at low levels over London for nearly three hours last night before disappearing.

The British said he had no parachute and it was believed he also had died in the flaming wreckage of his plane, which destroyed one of the two houses it hit.

The annual meeting of the Adams County Crippled Children's Society will be held Wednesday evening at 8 o'clock in the chapel at Trinity Evangelical and Reformed Church here with President Russell S. Hackman of Biglerville presiding.

Guest speaker will be Rodney Harbaugh, physical therapist at the Warner Hospital. He will describe his work there and the possible scope of physical therapy work.

At the business meeting, the annual report of the president will be presented and Dr. H. S. Fox, Seal sale committee chairman, will present a report. Terms of one-third of the members of the board of directors expire and those positions will be filled.

Refreshments are to be served after the meeting.

WM. I. SHIELDS RESIGNS HEALTH DEPT. POSITION

William I. Shields, 135 N. Washington St., state health officer and sanitary assistant in Adams County for nearly 15 years, on Monday submitted his resignation, effective on Friday.

Mr. Shields handed his resignation to Donald E. Lemmon, personnel director for the State Department of Health at Harrisburg. Mr. Shields asked to have the resignation become effective "at once" but at the request of department officials agreed to serve until the end of the month.

Mr. Shields, who began his duties August 1, 1939, said he had asked last year and again this year for assistance on the growing volume of duties attached to his office. He was told at Harrisburg that no addition to the staff here was "anticipated." Mr. Shields said there are two or more sanitary assistants in counties smaller than Adams.

The duties of the office, which have changed through the years, include taking more than 400 water samples annually, checking 110 restaurants four times yearly, inspecting seven schools, their cafeterias and checking on their staffs; testing soil suitability and sanitary systems of homes built under GI

DELONE CAST TO OFFER PLAY AND MUSIC FESTIVAL

The annual Spring Dramatic and Music Festival will be presented Friday and Sunday evenings in the auditorium of the Delone Catholic High School, McSherrystown.

"State Fair," the popular three-act comedy, "As American as Baseball and Hot Dogs," will be the dramatic presentation and the High School Glee Club will sing the following selections:

"It's a Grand Night for Singing," "It Might as Well Be Spring," "Hi! Hi! Come to the Fair," "Gandy Dancers' Ball," "Surrey With a Fringe on Top," "Country Style," "Oh What a Beautiful Morning."

The stage production relates the activities of a family visiting a state fair.

The Froke family takes off for the State Fair, with Margy (Shella Overbaugh) heading for the roller coasters, Wayne (Mike Little) for the hoopla stands, and Mother (Linda Miller) and Dad (Donald Dick) bringing up the rear with their entries for prizes, homemade pickles, and the hog, Blue Boy. A local storekeeper (Andrew Brady) keeps the play alive with his home-made philosophy.

Both Margy and Wayne are romantically interested at home in Harry (Raymond Lawrence) and

Bookmobile Will Visit York Springs

The "Muhlenberg Traveler," eight-ton streamlined bookmobile operated by the United Lutheran Publication House of Philadelphia, carrying a complete sample stock of items available from that organization and its nationwide branches, will be in York Springs on Thursday, May 5.

It will be parked in front of York Springs Lutheran Church and open to the general public from 2 p.m.

A program, featuring the religious film "Return to Faith" will be given at 8 p.m. After the program it will again be open to the public. A representative of the publication house will be present to answer questions.

ROTARY PLANS RUMMAGE SALE, ANNUAL SHOW

Committee work occupied most of Monday evening's session of Rotary held at the YWCA here.

President Roy Hammond expressed his appreciation of the "outstanding work" of the local Rotarians in connection with the recent District Rotary conference held here.

Vice President Philip M. Jones announced that pictures showing Gettysburg in Civil War times will be shown by Dr. Frederick Tilberg at next Monday's meeting.

Plans for the rummage sale to be held jointly with the Auxiliary of the Warner Hospital on Friday and Saturday were outlined. Members were asked to turn in articles at the Hotel Gettysburg annex Thursday afternoon and evening.

Further plans for the Horse Show to be held jointly with the Gettysburg Riding Club in June were outlined. Money raised by Friday and Saturday's rummage sale will go to the Hospital Auxiliary for use in hospital connected projects. The money raised by the Horse Show will go toward the Hospital Building Fund. It was reported.

Approximately 50 attended Monday's meeting.

TO ATTEND VIEWING

Members of the Moose lodge will meet at 7 o'clock this evening at the Moose Home to attend the viewing of Neely J. Taughinbaugh, late of Hunterstown, at the Bender Funeral Home, it was announced today.

SELLS PROPERTY

Mrs. Helena Pearson Broderick, Boston, has sold her improved property, Lincolnway West, in Cumberland Twp., to Roland L. and Elizabeth E. Erb of Gettysburg. Early possession will be given. The sale was made through John C. Bream and Son.

Up to noon today 837 First and Second grade boys and girls of the public and parochial schools of the county had received Salk vaccine shots in the inoculation program that got underway Monday at Mc Sherrystown and New Oxford.

About two score others were barred from getting the shots to immunize them against polio because their parents had refused to sign consent slips.

Attendance "Normal" Today
The schools said there was no "reaction." Attendance today was normal.

About 40 others were absent because of illness but will have an opportunity to get their first "shot" next week when doctors and nurses re-visit the school health centers to inoculate Monday's absentees so that they will be ready for the second Salk "shot" which will be given in this county beginning on May 23.

Of the 400 expected at Annunciation Parochial School in McSherrystown, 351 received shots. Only three pupils at Annunciation school could not produce consent slips from their parents while the pupils from St. Joseph's Academy in McSherrystown reported 100 per cent on consent slips. From the Midway school 60 were given shots but one other did not have a consent slip. All of the boys and girls at Sacred Heart School at Coneago Chapel had consent slips. Bonneauville pupils also were taken to McSherrystown for the shots but the number of consent slips there was not available.

In addition to Dr. C. G. Crist, Adams County medical director, and Mrs. Violet Raffensperger, Dr. Donald Coover and Dr. Albert Tananalis and these other staff members assisted at McSherrystown: Nurses, Mrs. Clara Bushey, Mrs. Gladys Border and Mrs. Doris Carney; Mrs. Phyllis Hess and Mrs. Lydia Augustine, clerks, and Mrs. Donald Sheely and Mrs. Carl McCans, aides.

252 At New Oxford
At New Oxford 252 shots were given out of an expected 276. About 15 were absent and about the same number could not be given the shots because they had not received parental permission. This morning a staff of three doctors and six nurses gave Salk shots

MEASURE WOULD REVAMP SCHOOL HEALTH TESTS

HARRISBURG (AP)—Pennsylvania's school health program would be overhauled under a new proposal before the Senate.

A bill with bipartisan sponsorship and based on recommendations of the Joint State Government Commission, the legislature's research arm, was introduced last night.

The measure would give the state Health Department complete control of the program at the state level.

Chief item in the revised plan would be to provide comprehensive physical examinations to children on entry in school, at about the age of 11 and at about the age of 15.

Reduces Examinations
At present, the pupils are examined every two years.

Although reducing the number of comprehensive examinations, the program is designed to provide a watchful eye on the youngsters in the years between.

Vision would be checked every year and height and weight recorded annually. Hearing tests would be given every two years and a chest X-ray taken on admission to high school.

State reimbursements to local school districts would be on the basis of \$120 per pupil examined. The bill's sponsors are Sens. Paul L. Wagner (R-Schuylkill) and John H. Dene (D-Westmoreland).

Would Raise Pay

Another bipartisan measure dealing with education would increase minimum pay scales for faculty members at state teachers colleges from \$3,500 to \$4,000 a year with 10 annual increases of \$100.

Other new Senate bills would: appropriate \$4,966,000 to the University of Pennsylvania for the next two years; \$2,120,575 to its school of medicine; \$835,000 to its school of veterinary medicine, and \$100,000 to the university museum—John J. McCresh (D-Phila.).

Authorize county commissioners to appropriate up to \$2,000 annually to county firemen's associations for fire prevention education programs—G. Robert Watkins (R-Delaware).
Exempt the civil air patrol from paying state license fees on its motor vehicles—Watkins.

Owners Would Approve

In cases where proposed incorporation of a borough involves land from more than one township, require a majority of property owners in each township affected to sign their incorporation petition—George B. Stevenson (R-Clinton).
Harold E. Flack (R-Luzerne).
Frank Koprivier Jr. (R-Allegheny).
Charles R. Mallory (R-Blair).
Joseph J. Yosko (D-Northampton).
Eustace H. Bane (D-Fayette).
John J. Haluska (D-Cambria).

Permit the issuance of duplicate motor vehicle registration cards at a fee of \$1—Charles R. Weiner (D-Phila.) and Koprivier.

OFFER OFFICE TO 3 GROUPS

Directors of the Gettysburg Chamber of Commerce, at a meeting Monday night in the Plaza Building, authorized the use of its office facilities to the Travel Council, Retail Merchants Association and the Junior Chamber of Commerce. Desk space will be made available if the organizations accept the offer.

Directors also discussed the advisability of holding "two or three" general membership meetings each year, instead of one as the present custom prescribes. The meetings would be open to members from the associated groups.

Plans were discussed for a "rural-urban" day to be held during the summer to which members of the county's 4-H clubs, FFA and FHA chapters and Young Farmers groups would be invited to a special program including tours of various places of interest in Gettysburg, a luncheon and a tour of the Battlefield. A committee will be named to arrange for such an event, President Sherman said.

Walter B. Lane, chairman of the Industrial committee of the Chamber, reported on a recent meeting of his group at which plans were outlined for a folder to be sent to a number of industries inviting them to consider Gettysburg as a place to establish a plant.

HOSPITAL REPORT

Admissions: Leroy Topper, York Springs R. 1; Sylvester Collins, Littlestown R. 2; Mrs. Anna Herling, R. 2; Lester Zeigler, Littlestown; Mrs. Harry Cooley, East Berlin; Claude W. Harner, Littlestown; Mrs. Stewart E. Roberts, Thurmont R. 2, and Mrs. William V. Whalen, R. 1.

Discharges: Mrs. G. Russell Koonitz and infant son, Aspers R. 1; Mrs. James Tully and infant son, R. 2; Mrs. Glenn T. Tuckey and infant daughter, Aspers R. 1; David L. Lawrence, Taneytown R. 1.

ASKS PUBLIC REFUNDS

HARRISBURG (AP)—A bill requiring the commonwealth to make public all refunds of taxes and license fees larger than \$100 was under Senate consideration today. The measure was introduced by Sen. Joseph M. Barr, state Democratic chairman.

Susan Hayward Fails To Take Life With Pills

HOLLYWOOD (AP)—Susan Hayward, one of the movies' top box-office stars, attempted suicide early today by gulping sleeping pills.

Two detectives who had to kick in the door of her swank Sherman Oaks mansion saved her life.

The 35-year-old redhead gave warning of her intent in a hysterical call to her mother, Mrs. Ellen Marrener, 65.

Her mother telephoned police, who battered in a patio door and found the actress, clad in pajamas and a housecoat, sprawled unconscious on the living room floor.

Near her were two empty bottles of sleep-inducing medicine.

Police Det. G. W. Wilkerson said she was breathing so hard that he and his partner decided not to wait for an ambulance. They sped in a squad car to North Hollywood Receiving Hospital where a doctor pumped out her stomach.

Removed To Hospital
After emergency treatment, the doctor pronounced her condition fair and said "it's just a matter of sleep of it off. It was a close one. We acted on the premise that it was an overdose of sleeping pills."

Later she was taken to Cedars of Lebanon Hospital where for an unexplained reason she was listed under the name of Mary Brennan.

Dr. Stanley Immerman, whose name was on one of the empty bottles found by her side, treated her at Cedars. The hospital reported her condition all right.

The only explanation for the death try came from the actress' brother, Walter Marrener, who blamed her dependency on a recent tiff with her divorced husband, plus overwork.

Two days ago, actor Jess Barker called a peace meeting to stop what he called "a tug of war" over the couple's twin 9-year-old sons.

"Susan never will talk to me when I call for the boys," Barker said. "She won't even let the servants speak to her. The children see this and it's bad for them."

"I admit I blew up at the finish of the meeting. We had gotten absolutely nowhere. I said some unpleasant things but they had been on my chest for two years."

Miss Hayward had been finishing work on one picture at 20th Century-Fox while starting a new one at MGM simultaneously. Ironically, the latter picture is "I'll Cry Tomorrow," the story of a reformed alcoholic singer Lillian Roth. The script called for Miss Hayward to attempt suicide in dependency over her condition.

Littlestown GIRL SCOUTERS PLAN FOR CAMP, ELECT OFFICERS

Plans were discussed for the annual Girl Scout Day Camp, for the annual Brownie bus trip and officers were elected at the meeting of the troop committee members, leaders and assistant leaders of the Brownie, Intermediate and Senior Girl Scouts of the community, in charge of Mrs. Hilda Arter, retiring president.

Mrs. Monroe G. Morelock has been elected neighborhood chairman of the group; with Mrs. A. G. Ealy as vice chairman and Mrs. Walter Morelock Jr., re-elected secretary. It was voted to have the Girl Scout committee of the Woman's Community Club, the sponsoring organization of the Scouts, to serve as a finance committee and to conduct the annual drive for funds for the Girl Scouts, pending their willingness to accept the responsibility.

The Girl Scout organization agreed to be responsible for one day a week as spotters under the community plan for the organization of the Ground Observers Corps and several new observers signed up for two hours duty a week. Girl Scouts may also serve, if they are fifteen years of age or over.

To Offer Prizes

It was decided to offer cash prizes to the Intermediate and Senior Girl Scout troops for the annual Memorial Day parade: prizes will be awarded on the basis of perfect attendance, or the highest percentage of troop members marching. Girl Scouts who appear in the band will be credited for marching. Brownies will not be permitted to participate in the parade, in observance of National Organization rules. It was noted that rules also prohibit hiking without adult supervision, and should groups of girls plan hikes, and not have an adult accompany them, the hike should not be classed as a Girl Scout project.

It was announced that Mrs. Robert W. Gouker still has some Intermediate uniforms available. It was also announced that S. Clair Trostle, E. King St., Etd., has been appointed county chairman for the Girl Scout Fund drive in the fall. It was decided to continue meeting the fourth Monday of each month, or at the call of the neighborhood chairman.

The annual bus trip for the Brownies has been tentatively set for June 1 or 2. This year the Brownies of Troops 11, 43 and 45 will be taken by their leaders and their adult supervisors to the Baltimore zoo. The Brownies leaders are Mrs. Paul Luckenbaugh, Mrs. Kenneth K. Kroh, Mrs. G. Richard Knipple, Mrs. Edwin W. Elder Jr., Mrs. John Kump and Mrs. Emerson F. Muller. It is planned to leave town at 9 a.m. on the day of the trip, to take a box lunch to be eaten on the grounds. Further details will be announced later.

Present Three Plays In Biglerville On Wednesday

The three upper classes of the Biglerville High School will present three one-act plays Wednesday evening in the Thespians Society's school play contest.

"Bombs! Pearl Harbor!" exclaim Senior members of the one-act play. In the scene watching 'the falling bombs' are Glenda Freed, Shirley Peters, Kay Sheats, Jean Hykes and Melinda Hauser.

Members of the Junior Class create a tense scene as Emily Winthrop taunts her nephew with "You'd like for me to die, wouldn't you, Walter? Wouldn't you?" In the scene are Bill Tilton, Judy Crist, Patsy Wright, Darby Chronister, and Calvin Manahan.

Biglerville High School Sophomores pantomime a ride in a touring car as "Blossom" squeals. "Oh, look! A baby cow!" In the picture are left to right: Jon Taylor, Freda Warner, Anne May, Bob Clark and Nancy Arnold.

their details will be announced later.

Camp Opens Monday

The annual Camp Little Day Camp will begin on Monday, June 20, and continue for that week Monday through Friday. Mrs. Carroll E. Arter will be day camp director this year with Mrs. Edwin W. Elder Jr. as assistant. Mrs. Monroe G. Morelock will be day camp nurse supervisor and will endeavor to secure a trained nurse for each day of the camp, so that no one person need be on duty all the time. There will also be a doctor on call.

The day camp site has been scheduled for the grounds adjoining St. John's Lutheran Church, near town. The Scouts will meet each morning at 8:40 a.m. and hike to the camp site; they will carry a box lunch and they will return home from camp about 3:30 p.m. It is planned to have Red Cross swimming instructions, from 10 a.m. to 11 a.m. for the Brownies and from 11 to 12 for the Intermediate and Senior Scouts. Day Camp application cards will be available soon and each troop leader will be responsible for the cards for her troop members. Cost of the week's camp, per girl, will be \$2.25.

Plans for the camp will be furthered at a meeting on Monday, May 23, and the day camp staff, which is being recruited by Mrs. Charles E. Rabenstein, will be announced at that time. The staff will then have a meeting at the camp site on Monday, June 13, to complete preparations.

District Highway Engineer Is Named

HARRISBURG (AP)—Theodore K. Rothermund, Mount Bethel, Northampton County, will take over May 2 as district engineer for the nine-county highway district with headquarters in Harrisburg.

Joseph J. Lawler, highways secretary, appointed Rothermund yesterday to the \$8,352-a-year post to succeed A. J. Bedard.

The district comprises Adams, Cumberland, Franklin, York, Dauphin, Juniata, Lancaster, Lebanon and Perry counties.

A native of Martin's Ferry, Ohio, Rothermund served as chief coordinator on the Manhattan Atomic Energy Project at Oak Ridge, Tenn.

He is a licensed professional engineer in Pennsylvania and seven other states and is currently self-employed as a consulting engineer.

REPORT ON EINSTEIN

PRINCETON, N.J. (AP)—Princeton Hospital has announced that a report on a study of Dr. Albert Einstein's brain may be published in a scientific journal but, at the request of Einstein's family, no reports will be released by the hospital on the scientist's vital organs. Einstein died last week.

Snack Bar Profit

The Snack Bar reported a profit of \$59.97 last month. Mrs. Frank H. Kramer, chairman, said the Bar has a balance of \$850.85.

Mrs. Bruce N. Wolff, reporting for the "Photo Babe" committee, said 78 pictures of infants born at the hospital were made during the month. Parents purchased 74 pictures. The net profit was \$51.78.

Purchase of a dozen metal thermos bottles for \$198 was reported. Dr. Joseph Baker spoke on "Mental Hygiene" at the meeting.

"There have been a number of cycles in the attitude of the general public toward those suffering from mental illnesses," Dr. Baker said. "There are many passages in the Bible which show that at the time of Christ mental illness was recognized as such and those suffering from it were treated with kindness and special institutions were established for their care."

Hostesses for Monday's meeting were from the York Springs area and included Mrs. Q. W. Hershey, chairman, Mrs. Preston E. Zerbe and Mrs. Frank Myers.

Legionnaires, and also pictures taken by L. Robert Crouse at the minstrel will be shown. All members of the minstrel cast and chorus are invited to see the pictures. Any picture may be ordered on Thursday evening.

A meeting of the community Memorial Day Committee from the American Legion and the local VFW Post will be held on Thursday at 9 p.m. at the Legion Home.

Water Rates Will Drop In York Area

HARRISBURG (AP)—Rates for 4,250 residential consumers will drop an estimated \$14,580 a year on May 1 in the area serviced by the York Water Co.

The Public Utility Commission yesterday decided against a delay in the shift from flat to metered rates which will result in the reductions.

The company asked PUC permission to change some consumers from flat to lower metered rates in an effort to halt indiscriminate use of water and prevent a recurrence of last summer's shortage.

Rates of 20,000 other consumers in the York-Manchester-Mount Wolf-North York-West York sections and surrounding townships remain unchanged.

The new metered rates: First 5,000 gallons, 91 cents per thousand gallons; next 45,000, 32½ cents per thousand; next 1,950,000, 19½ cents per thousand, and all over 2 million, 14.3 cents per thousand.

Present flat rates vary with the number of outlets and type of fixtures.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times
FIFTY YEARS AGO

Bishop Changes Ministers: Bishop John W. Shanahan, of the Harrisburg diocese, has announced among other changes the following: Rev. J. C. Thompson, formerly rector at Bonneauville, from the Church of the Sacred Heart, Harrisburg, to New Oxford; Rev. Fr. Reuditor from New Oxford to St. Mary's, York. These transfers take place at once.

Boys Under Sixteen Not Allowed: Governor Pennypacker, last week signed the bill making it unlawful for all boys under the age of sixteen to visit pool rooms and bowling alleys. We expect to print the bill in full in the near future.

Turkey Eggs Sold At 15 Cents Each: At Edward Scott's sale on Saturday 33 turkey eggs were sold at 15 cents apiece. Guinea sold at 80 cents apiece and turkeys as high as 20 cents per lb. Everything in general sold well, which is another evidence that it pays to advertise.

Office Changed: The office of the Mummaburg & Mutual Fire Insurance Company has been removed from Mummaburg to Gettysburg, the room above C. A. Blocher's jewelry store in the McKnight building being used by said company.
J. Frank Hartman has been elected Secretary of the company instead of Mrs. Margaret McGrew, resigned.

The Gies Debate: The Pen and Sword Society, College, has submitted the following two questions to the Senior debating team for the Gies interclass debate:
Resolved, "The Public Conscience is More Active Now Than Ever Before."
Resolved, "That the United States Should Sell the Philippines to Japan."
The Senior team will choose the question and the Junior team the sides.

Fine Soda: W. M. Edmundson, manager of the People's Drug Store on Saturday who opened the soda fountain for the summer for the convenience of the number of patrons, had a handsome menu card printed giving the different flavors. The fountain is practically new, a new charging apparatus having been installed and other improvements made. This, together with the excellent syrups and the fine ice cream used makes the soda as fine as can be had anywhere. A trial will bear out our statement.

Building Lots On Installment Plan: Until June first only, we will sell choice building lots on the \$1 a week plan, no cash advance payment required.

This is an opportunity for anyone, young men especially, to make a start towards getting and owning a home. It is a good way to save a little money, even boys earning money can lay aside \$1 for a lot for a future home.

Now is the time to buy, prices will never be lower, more likely to advance. Apply to Martin Winter.

Wanted At Once: A good Blacksmith to take charge of the old Culp stand on E. Middle St. Address or call on S. A. Troxel, Gettysburg, Pa.

Lost Three Games: Gettysburg College baseball team was unsuccessful last week, having lost three games. The first game on Wednesday afternoon at Harrisburg with the Tri-State League team resulted in a shutout for Gettysburg, the score being 14-0.

The game Wednesday afternoon with Ursinus College was an interesting one and was well played by both teams, Kauffman pitching a good game for Gettysburg, shutting out 13 men and making a home run. The score was 5-3 in favor of Ursinus.

On Saturday the college team journeyed to York where they crossed bats with the strong Penn Park team and met defeat by the score of 6 to 1.

Today's Talk

MASKS

How very few of us live out our lives naturally and genuinely sincere, taking pride in our privilege to chart our own course, taking advantage of our priceless individual heritage.

I came across this statement by Anne Lindbergh in her recent book, "Gift from the Sea." She said: "The most exhausting thing in life, I have discovered, is being insincere. That is why so much of social life is exhausting; one is wearing a mask."

I recently read of a woman who was prominent in social affairs at Miami, Florida. She said she was anxious to get home so that she could get some rest. Parties with invited guests of two hundred, or more, were outstanding. There would be plenty of masks, invisible to the eye, at such parties!

Perhaps it is true that all of us wear a mask at times. We don't want people to guess what is behind it. There is often something else than insincerity behind that mask. It may hide a great deal of unhappiness or grief, its wearer not wishing to announce the fact to anyone else.

If we could only see behind many of these masks worn by our friends or by those in public life, I am sure we would be much kinder and tolerant, as well as understanding, for behind so many are patience, courage and forbearance.

We are most ourselves when we remove all masks and play genuine. It's like putting all cards on the table, as the saying is, and inviting ourselves to be appraised for exactly what we are.

A minister wrote to Edwin Booth, the great actor, and asked if he couldn't hide him somewhere in his theater so that he could witness him act, without his parishioners knowing anything about it. Booth replied that there was no place in his theater that God couldn't see. God can see behind all masks, too!

Tomorrow Mr. Adams will talk on the subject: "Keep Giving Back."

WHAT LIFE'S ABOUT

There are those in times of doubt who ask what this life's about? Since we're born some day to die, Can there be a reason why?

"Well," I answer, "it may be Life has need for you and me."

"There are places to be filled, There's the better world to build, There are meetings to attend, There are many to befriend, There is much that's fair to see That without us wouldn't be."

"There are hospitals to care For the suffering everywhere, There are churches, there are schools, There are summer swimming pools, There are parks where children play, Some must work for day by day."

"There are struggles to be won, There are duties to be done, There are causes good to aid, There are friendships to be made, Much this world can't do without Seems to be what life's about."

DIFFER ON CHOU TALKS WITHOUT NATIONALISTS

By JACK BELL

WASHINGTON (AP)—Sen. George (D-Ga.) said today the absence of Nationalist China from the conference table should not prevent U.S. peace talks with Red China.

George, who heads the Senate Foreign Relations Committee, thus went a step further than the State Department has been willing to go, in renewing his proposal for a conference to seek a way to ease tensions in the Formosa area.

The department's official position thus far has been that American representatives would not be willing to talk with Red China's Premier Chou En-lai unless Chiang Kai-shek's Nationalist government was represented too.

Could Reserve Right

In a new development, the United States was understood yesterday to have decided against any direct talks with Red China unless the Chinese Communists come through with more conciliatory gestures than they have made so far.

George, a chief Democratic spokesman on foreign policy, said he would be willing to waive the Nationalist representation condition, at least in exploratory discussions. At Taipei, Nationalist spokesmen have said they would not parley with the Reds.

"All rights of both parties could be reserved at any conference that could be arranged," George said. "With those rights reserved, I think it would be advantageous to have preliminary talks with the Communists to learn if it is possible to make some approach to a peaceful settlement."

Opinions Differ

"Only through a conference can we arrive at anything and I think one should be held,"

Sen. Hickenlooper (R-Iowa), a Foreign Relations committeeman, took exception to George's proposal.

"I think the presence of the Nationalists at the conference table would be indispensable," he said in a separate interview. "We certainly wouldn't sit down at any conference to dispose of British territory unless Great Britain were there."

"We have recognized Chiang's sovereignty over Formosa by treaty. Congress has voted to use our armed forces to defend Formosa. To talk with Chou when they are absent would mean that we are abandoning them."

Partridge, Kuter In Command Shift

WASHINGTON (AP)—The Air Force announced late yesterday that Gen. Earle E. Partridge will head the Continental Air Defense Command and that Lt. Gen. Laurence S. Kuter will succeed him as air commander in the Far East.

Kuter is head of the air university at Maxwell Air Force Base, Ala. Partridge, who has been Far East Air Force commander since last year, will replace the retiring Gen. Benjamin W. Chidlaw.

The Continental Air Defense Command, with headquarters at Colorado Springs, Colo., has direct control of air, sea and ground forces assigned to the defense of the United States against air attack.

Breakdown Of Governor's Tax Program

The following is a breakdown of Governor George M. Leader's \$620,067,000 tax program:

Classified income tax (\$411,000,000):
Long term capital gains, 6 per cent \$ 34,250,000
Dividends, 5 per cent 56,750,000
Interest, rents and royalties, 4 per cent 42,000,000
Unincorporated businesses and professions, 2 per cent 83,200,000
Wage, salaries and other sources, 1 per cent 194,800,000

Other taxes recommended (\$118,080,000):

Increase corporate net income tax from 5 to 6 per cent 52,800,000
Increase utility gross receipts tax from 14 to 24 mills 18,500,000
Extend utility gross receipts tax to natural gas 11,800,000
Extend corporate net income tax to banks 3,500,000

Extend corporate net income tax to federal savings and loan associations, mutual saving institutions, building and loan associations and cooperative banks 5,100,000

Taxing corporation dividends to the same extent they are taxed under federal law 3,000,000

Reinstating 8 mill tax on gross premiums paid to domestic stock insurance companies and to mutual life insurance companies 7,500,000

Storage of natural gas, 1 cent on each 1,000 cubic feet withdrawn 3,000,000

Increasing inheritance tax for non-dependent lineal heirs from 2 to 5 per cent 12,800,000

Total general fund increases (\$529,080,000):

Gasoline tax from 5 to 6 cents a gallon 52,000,000

Automobile license fees from \$10 to \$15 29,000,000

Truck license fees 18,000,000

Total motor vehicle increase 99,000,000

Grand total tax increase 628,080,000

Taxes urged repealed:

Corporate loans, gross receipts of motor carriers and private bankers, stock transfer, income of agricultural cooperative associations and membership of rural electrification associations 3,513,000

Excise taxes on domestic and foreign corporations 4,500,000

Total taxes sought dropped 8,013,000

Total net tax increase \$620,067,000

Opposition to the tax has arisen in the ranks of both parties. Twelve House Democrats have expressed dissatisfaction and opposition to the Administration plans. Four Democratic Senators join in this sentiment with a "cool" reaction to the tax. If this feeling continues, the bill will have little chance of passing the House, although the Governor has said he will use his patronage powers to exert influence on the members.

BUSINESS BOOM LOOKS LIKE IT MAY LAST WHILE

By SAM DAWSON

NEW YORK (AP)—The business boom looks healthier now to Washington and more likely to last for some time.

That's how many businessmen assess recent actions and policy disclosures. These include the U.S. Treasury's borrowing methods — it shortly will seek two billion dollars or more in "new money" — and the Federal Reserve Board's methods of putting gentle curbs on speculation and letting interest rates rise.

Only two months ago Washington, along with many in the business world, appeared to doubt that the business upturn would survive the hot weather season. Everyone appeared to be playing it cagey—counting on good times until July, but not making any firm plans for fall.

Cars Are Selling

Chief fears were that the auto building race would end by summer and that the home building spree would peter out then too.

But consumers are putting up cash or credit and taking the cars as they roll off the assembly lines and the homes as the builders complete them.

With the public slowly increasing its purchasing power, and the cost of living holding pleasantly steady, good times now appear to

have firmer foundations than formerly thought.

Look Issue In Stride

The Treasury is expected to announce shortly its plans to raise six billion or more dollars. Four billion of that will be to refinance one-year certificates coming due, and the rest for new funds the Treasury will need before the end of the fiscal year, June 30.

In February Washington felt the economy strong enough to take a long-term issue and floated a 40-year 3 per cent bond. Such a bond tends to sop up investment money and might turn a shaky economy downward. But the business and financial markets took the bond issue in stride.

Bankers aren't expecting another long-term bond so soon. They consider a medium-term issue more likely. This belief is based on the guess that Washington considers the economy neither in the need of the lift which more one-year cer-

WHITE HOUSE ASSAILED BY SEN. KEFAUVER

By ROWLAND EVANS JR.

WASHINGTON (AP)—Sen. Kefauver (D-Tenn.) said today a White House decision to delay administration testimony on the Bricker treaty amendment "will be interpreted as cringing before a vocal segment of the Republican party."

Kefauver said a decision to postpone "for the time being" testimony from Secretary of State Dulles on the proposed constitutional amendment "was made at the White House, not in the State Department."

Kefauver, chairman of a Judiciary subcommittee which plans to open hearings tomorrow on the proposal by Sen. Bricker (R-Ohio) said he was informed of the postponement by the White House. At the time, he added, the decision was not known by the State Department's congressional liaison man, Asst. Secretary Thurston B. Morton.

Views Unchanged

President Eisenhower was asked at a March 23 news conference whether he had changed his views on the Bricker amendment. His reply: No.

He opposed it last year on the ground that it would hinder his conduct of foreign relations. A revised version was narrowly defeated in the Senate. In brief, the proposal would allow a treaty to become effective as internal law only through legislation which would be valid in the absence of a treaty.

Dulles had said he would testify tomorrow before Kefauver's subcommittee, but the senator said word then came from the White House of a change in plans.

Interpreted As Cringing

Kefauver said he plans to go ahead, but he said in an interview: "This refusal to face up to an obvious effort to weaken the hands of the executive is going to be interpreted as cringing before a vocal segment of the Republican party. It is obvious to me that

tificates might give or in the danger of runaway inflation which would call for a sopping up of excess funds.

RUSSIA AGREES TO BIG 3 MEET

MOSCOW (AP)—Russia agreed today to a meeting of Big Four ambassadors in Vienna to settle final details of an Austrian state treaty.

Representatives of Austria would also take part in the talks which were proposed by Britain, France and the United States in identical notes to the Soviet government on April 22.

The Western powers had set next Monday as the date for the meeting of ambassadors. This date was agreeable to the Soviet Union.

First Real Test Of Power Is Here For Majors In East-West Meetings; Starts This Afternoon

By ED WILKS
The Associated Press
Now comes the first test of power in the American and National League pennant races.

Milwaukee and St. Louis get a first-hand look at all this early nonsense by Brooklyn in the National. And the New York Yankees see what's new with the Chicago White Sox and Cleveland.

The first East-West meetings of the season open today and tonight, but only the Yanks and White Sox get right down to business. They play a day game at Comiskey Park. The rest of the AL schedule sends Washington into Cleveland, a point of no return for the Senators, and Baltimore to Detroit this afternoon with Boston at Kansas City tonight.

Braves Meet Giants
In the National, Milwaukee and St. Louis get around to Brooklyn in a few days. Tonight, the Braves are at the Polo Grounds against the New York Giants and the Cards are at Philadelphia. Cincinnati is at Brooklyn and Chicago at Pittsburgh in another night game.

Milwaukee comes East with Bobby Thomson in fine shape, its pitching as good as expected and only 2½ games behind the Brooks despite the Dodgers' 11-2 mark.

Manager Leo Durocher, still 5½ games off the pace, figures his lads are "all straightened out" now. He'll go with either Ruben Gomez (0-1) or Johnny Antonelli (0-2). Bob Buhl (1-0) goes for Milwaukee.

Cards Face Roberts
The Cardinals, packing some relief help for a change, run into Robin Roberts (2-1), trying for a "comeback" after getting slugged off his winning streak by the Brooks. St. Louis, a game behind the Braves, goes with Harvey Haddix (1-0).

Cincinnati's Redlegs, up to their necks in a hitting slump, send their reluctant swatters against Russ Meyer, the Brooklyn right-hander who's only a 50-50 bet at best against the Redlegs. Corky Valentine (0-0) works for Cincinnati.

Cleveland, with pitching trouble for a change and winning but one of the last four, tries to fatten up on Washington. The Senators haven't won in Cleveland since Aug. 25, 1953, when they beat Bob Lemon. It's Lemon (3-0) they'll face today with Maury McDermott (1-1) hoping to snap Washington's 12-game losing streak at Municipal Stadium.

Switch To Righthanders
Now that Boston's Willard Nixon has beaten the Yanks in straight, the AL figures to revise its "south-paw-the-Bombers" idea. Chicago starts the switch to right-handers with Mike Fornieles (2-0) today vs. Bob Turley (2-0). A victory would send New York into first ahead of the White Sox, who start the game 31 percentage points to the good.

Boston also could climb into the lead with New York if Tom Brewer (0-2) stops the A's. Kansas City goes with Arnie Portocarrero (0-3).

Coast Guard Finds Missing Anglers
PERRYVILLE, Md. (AP)—Four Pennsylvania fishermen were safe today after their small craft developed engine trouble and they were forced to spend two nights anchored in a tributary of the Susquehanna River.

The four found on Swan Creek yesterday afternoon were identified by Coast Guardsmen as Clair Wolfe, 35; Elmer Wolfe, 55; Danny Wolfe and Fritz Splitter (age unavailable), all of R. 1, Sheridan, Pa.

A search was started by Maryland State Police and the Coast Guard after the four failed to return from a fishing expedition that got underway here last Saturday.

The four left their automobile at the Perryville wharf, expecting to stay over and fish Saturday. The wind blew up on the Susquehanna and when their boat began having trouble, they pulled into Swan Creek near Oakington. That's where the Coast Guard found them and returned them to Perryville.

The four left Perryville late yesterday to return home.

FOUR GOLFERS TIED

PENNSAUKEN, N. J., April 26 (AP)—Four golfers tied for top prize with par 70's in the Tom Cennelli-Iron Rock Golf Club benefit tournament for a cerebral palsy drive yesterday.

The four pros, who will compete in a playoff at a later date, are Tony Constanza, Philadelphia's Sunnysbrook Golf Club; Angelo Paul, Meadowlands; Stan Dudas, of Shawnee-on-Delaware, Pa., and Harlan Will, Lebanon, Pa.

ADVERTISE IN THE TIMES

JIMMY CARTER AND BUD SMITH MEET JUNE FIRST

NEW YORK (AP)—Lightweight champion Jimmy Carter and Wallace (Bud) Smith, of Cincinnati, will clash in a 15-round title bout in the Boston Garden June 1.

It will be their second meeting. Carter outpointed Smith in Cincinnati March 28, 1950.

When they climb into the ring for their television title match both will remember their first encounter, but not with any pleasure. The year 1950 was a very lean one for both. Carter had three fights that year and Smith only four. Even then they had reached the point where they were just too good for their own good. None of the "name" fighters wanted to box them.

His 11th Title Fight
Carter broke into the money a year later when he won the crown by stopping Ike Williams in the 14th round. Since then, the New Yorker has been cashing in. This will be his 11th title fight.

Smith, National AAU champion in 1948, hopes this will be his turning point. The broad-shouldered Negro has had only 47 fights in more than six years of pro battling for a 31-11-5 record. He has 18 knockouts to his credit and has been stopped once—by welterweight Joe Meisel in five rounds a year ago. Bud now is the No. 5 contender. Carter is 31, Smith 26.

According to the terms, of the match announced by promoter Jim Norris of the International Boxing Club, Carter will get 40 per cent of the net receipts and the estimated \$35,000 television money. Smith will collect 20 per cent.

HARTACK HAS SIX WINNERS
LAUREL, Md. (AP)—Little Willie Hartack, youthful jockey with a burning ambition to lead the nation's riders, took a giant step toward his goal yesterday by riding six winners at Laurel Race Course.

The 23-year-old native of Johnstown, Pa., came within one of the national single-day saddle record of seven, set by Jimmy Sylvester at Ravenna Park on Oct. 18, 1930. But more important to Hartack, he gained one ground on Willie Shoemaker, the nation's leading winner for the past two years.

Hartack had seven mounts on the eight-race card. He sat out the third race and he finished third in the sixth.

At the end of the day Willie had exactly 100 winners for the year. Shoemaker leads all jockeys with 126 wins.

Hartack had another banner day here a week ago yesterday when he rode five winners and finished second twice at Laurel's opening day.

State Qualifiers In Pinehurst Round

PINEHURST, N. C. (AP)—Pennsylvania qualifiers for the North and South Amateur Golf Tournament in yesterday's medal round won by Dave Smith of Gastonia, N. C., with a 36-31—67 included:

NEW YORK—Sailor (\$31.90) won the \$28,000 Toboggan Handicap at Belmont Park opened a 42-day meeting.

CHICAGO—Jockey Bennie Green scored a consecutive triple and brought home Deb Chaser (\$5) by four lengths in the Inaugural Handicap at Sportsman's Park.

HUNTING TAGS MAY BE ISSUED BY ONE AGENT

HARRISBURG (AP)—All Pennsylvania hunting licenses would be issued through the state Revenue Department in Harrisburg beginning this September if the Legislature approves a new House bill.

The proposal would eliminate some 1,800 special agents who are now authorized to issue resident hunting permits.

Most of these agents are located in sporting goods or hardware stores.

County treasurers also can issue the licenses under present law. The plan is sponsored by Reps. Harris G. Breth (D-Clearfield) and Maurice L. Banker (R-Huntingdon).

The measure also would reduce the cost of the resident license from the present \$3.15 a year to \$3.00 annually beginning for the hunting year of 1957-58. The agent now retains 15 cents.

Several months ago the Game Commission and representatives of organized sportsmen declared support for a central issuing agency and a type of permanent registration. Officials believe such streamlining would reduce the number of licenses issued in fictitious names and addresses.

SUNDAY SPORTS MEASURE FAILS

HARRISBURG (AP)—A move to allow Philadelphians to decide if they want Sunday sports fell short of passage by 19 votes in the House.

A vote of 87-77 yesterday meant rejection for a plan calling for a November referendum on the topic in Philadelphia only. One hundred and six votes are necessary to approve a bill in the House.

The referendum would have put the question before the voters: "Do you favor the conduct, staging and playing of baseball, basketball, bowling, football and hockey games, regardless of whether an admission charge is made or incidental thereto or whether labor or business is necessary to conduct, stage or operate the same after 2 p.m. on Sunday?"

State blue laws prohibit most Sunday sports.

ART LARSEN IN TENNIS "DOG HOUSE" AGAIN

NEW YORK (AP)—Tempestuous Art Larsen was back in the tennis "doghouse" today — temporarily suspended in Europe and facing possible sterner penalties by U.S. officials.

The roof fell in on the diminutive southpaw from San Leandro, Calif., after he reportedly hit a young ballboy in the face with a tennis ball in Genoa, Italy, and sent the lad weeping from the court.

Renville McMann, USLTA vice president and chairman of the international play committee, dispatched the following cable to Larsen:

"Permission for further foreign play withdrawn pending complete air mail report regarding Genoa ballboy incident."

Boy Get In Way

The hassle occurred last Saturday in a doubles match in which Larsen and Enrique Morea of Argentina defeated Hugh Stewart, of Pasadena, Calif., and Sidney Schwartz, of Brooklyn, 4-6, 6-3, 6-4.

At one stage, according to tournament officials, Larsen became upset over the overzealousness of a 10-year-old ballboy who kept getting in the players' way. Larsen reportedly became nervous when the boy couldn't understand his requests to leave the court and he smashed a ball at the youngster. The ball hit the boy squarely in the face. The lad began crying and fled from the court.

Goalkeeper Goes Over 70-Ft. Cliff

PLYMOUTH, England (AP)—Goalkeeper George Cornelius made a prodigious leap to stop the ball in a sandlot soccer game yesterday—and vanished over the lip of a foot cliff.

Other players peering down in horror were astonished to see 23-year-old George rising from a patch of wet sand at the edge of Plymouth Bay with the ball still in his hand.

"I'm all right and it's no goal," he called to them. "I bounced off the cliff and landed on my feet."

At the hospital where he was sent just in case, doctors said there was nothing wrong with George but a few bruises.

Maybe Pilot's Permit Might Cheer 'Em Up

HARRISBURG (AP)—Patients at state mental hospitals would be issued free fishing licenses under a bill presented in the Senate last night.

The applicant's request would have to be accompanied by written approval of the hospital superintendent.

Sponsors of the measure are Sens. Leroy E. Chapman (R-Warren), Martin Silver (D-Phila.) and Charles R. Mallory (R-Blair).

ASK PRODUCE APPROVAL

HARRISBURG (AP)—The Edwards Motor Transit Co., Williamsport, sought Public Utility Commission authorization yesterday to purchase the Williamsport Transportation Co. for \$33,000.

Edwards said it would create a separate corporation, the Williamsport Bus Co., to operate transportation facilities in the city.

Edwards operates buses in Pennsylvania, Ohio, New York and Maryland. The purchase would include \$3,000 for spare parts.

ANDERSON GETS GARRETT AWARD

NEW YORK (AP)—Competing against the largest rookie crop in American Hockey League history, James William (Andy) Anderson of the Springfield Indians made a runaway of the race for the Dudley (Red) Garrett Memorial Trophy.

Results of the balloting for this award, given each year to the league's outstanding rookie, were announced today by the AHL Service Bureau. Anderson polled 26 of a possible 30 points, being named first on five ballots and third on the sixth.

Andy's two closest rivals were Springfield teammates, Don Simmons with nine points and Graham Hastings with five.

Others who received points were Gordon Wilson, Hershey; Ian Cuskenan, Cleveland, and Marc Reaume, Pittsburgh, three each; Guy Gendron, Providence, two; and Bill Burega and Gerry Foley, Pittsburgh, and Jimmy Farrell, Cleveland, one each.

CASTELLANI AND PEREZ WIN TV FIGHTS MONDAY

NEW YORK (AP)—Rocky Castellani and Lulu Perez, the victors in the two network television fights last night, today were looking forward to May fights while their victims began involuntary layoffs because of nasty cuts.

Castellani, the third-ranking middleweight contender from Cleveland, staggered Cuba's Chico Varona several times to win a 10-round decision at St. Nicholas Arena. Varona, outweighted 159½ to 126½, required 10 stitches to patch up a cut over his left eye. That should keep him sidelined at least six weeks.

A 5-1 favorite, Castellani won by 8-2 round scores from each of the three officials.

To Meet Savage
Rocky is expected to sign for a May 23 show at the same arena against either Milla Savage, of Salt Lake City, or Paul Pender, of Boston. It was the 27-year-old ex-Marine's third straight victory since he was outpointed in a title bout with middleweight champion Bob Olson in San Francisco last Aug. 20.

Perez, in his best shape in over a year, celebrated his 22nd birthday by trouncing Rudy Garcia, sixth-ranking featherweight contender from Los Angeles, at Brooklyn's Eastern Parkway Arena. Lulu weighed 128, Garcia 129.

Perez Wins
A 6-5 underdog, Perez, of Brooklyn, won by unanimous decision. Garcia was gashed in two places. A cut over his left eye, inflicted in the second round, required six stitches. A deep wound high on his forehead, suffered in a head collision in the last round, needed 10 stitches. Dr. Samuel Swetnick called the California featherweight king will be out of action about two months.

Perez, who needed two stitches to close a half-inch cut over his left eye, probably will meet his Brooklyn rival Carmelo Costa in Madison Square Garden May 27, if Costa beats Tony Puelo at the Parkway next Monday.

FIGHTS LAST NIGHT
By THE ASSOCIATED PRESS

BROCKTON, Mass.—Oscar Pita, 145, Argentina, outpointed Freddie Montfort, 146, Brooklyn, 10.

PROVIDENCE, R. I.—Orley Monroe, 140½, Worcester, Mass., outpointed Paolo Rosti, 137, Italy, 10.

Willie Jones, the National League's fielding leader at third base in 1953 and 1954, is off to a rocky start defensively this season. The Phillies' stalwart already has committed seven errors. He made only 15 miscues all last season.

Robin Roberts of the Philadelphia Phillies, who normally winds up with "mosts" in every pitching department including gopher balls, already has yielded four homers in the 23½ innings he's pitched. Roberts led the majors in gophers last season with 35.

NEED WOODCHUCKS
BEAVER ISLAND, Mich. (AP)—The Beaver Island Game Club has asked the State Conservation Department to ship a supply of woodchucks to this Lake Michigan island to dig holes for rabbits. That's right. It seems there are few cottontail rabbits here because there aren't many holes in which they can live. (Rabbits don't dig their own; they borrow holes from other animals.)

DOG TAKES OVER
HADDON HEIGHTS, N. J. (AP)—Leonard Allen, 45, was walking a friend's boxer, Queenie, when the dog saw a cat and took off in hot pursuit, dragging Allen behind. Allen is recovering today from five broken ribs suffered when Queenie banged him against a curb.

TIGERS BEING PAID BACK ON KALINE BONUS

NEW YORK (AP)—The Detroit Tigers, who gave Al Kaline a \$35,000 bonus to sign in 1953, are being paid back in base hits by the 20-year-old outfielder.

A .276 hitter in 138 games last season, Kaline currently leads the American League in batting with a .452 mark on 19 hits in 42 at bats. He's hitting for distance, too, with four homers to rank second in that department to Bob Nieman of Chicago, who has five.

Eldon (Rip) Repulski of the St. Louis Cardinals, who took over the No. 4 batting spot when Ray Jablonski was traded to Cincinnati, is eating the National League batting pace with a .395 average. He's collected 19 hits in 48 trips.

Nieman Is Runnerup
Nieman, the outfielder the White Sox acquire from Detroit last winter, is runnerup to Kaline in the batting competition with a .423 mark. He's followed by Bill Skowron of the New York Yankees with .422, Chico Carrasquel of the White Sox with .400 and Vic Power of Kansas City with .381.

Johnny Logan of Milwaukee is second to Repulski in the National League with .389. Then come Gran Hamner of Philadelphia with .367, Billy Burton of Milwaukee with .364 and Roy Campanella of Brooklyn and Dee Fondy of Chicago at .362 apiece.

Carl Furillo of the Dodgers is the National League's pace-setter in home runs with six followed by Ted Kluszewski, the majors' home run king in 1954. Big Klu has five.

Sport Shorts

Stan Musial, the St. Louis Cards' slugger, is off to one of his worst starts in years with only a .227 batting average to show for 10 games. At this time a year ago, he was at .316. In 1953 it was .308 and in 1952, Stan had a .306 mark after 10 games.

The Boston Red Sox have been involved in shutouts in four of their last five games, winning two and losing two. Oddly, they won both by 1-0 scores with Willard Nixon the shutout pitcher both times and Norm Zauchin driving in the winning runs on both occasions.

Could be Vic Power sees the pitches better in Kansas City. The Athletics' first baseman won the American Assn. batting championship while with Kansas City in 1953. After hitting only .255 for Philadelphia in 1954, Vic currently is fifth in the American League competition with .381.

Mike Garcia of Cleveland and Johnny Antonelli of the New York Giants, the major league earned run leaders last season, are doing poorly in that category this year. Garcia has given up 12 earned runs in 20 innings for a 5.40 earned run mark while Antonelli has allowed six earned runs in 16 frames for a 3.38 ERA.

Bob Nieman, the ex-Detroit Tiger who is coming through so handsomely for the Chicago White Sox, has six extra base hits (a double and five homers) among his 11 safeties. He has 27 total bases in 26 at bats for an amazing slugging percentage of 1.038.

Willie Jones, the National League's fielding leader at third base in 1953 and 1954, is off to a rocky start defensively this season. The Phillies' stalwart already has committed seven errors. He made only 15 miscues all last season.

DELEGATES AT BANDUNG BUSY WITH PROBLEMS

By ROBERT EUNSON
BANDUNG, Indonesia (AP)—While their delegation chiefs grabbed the headlines with verbal acrobatics, delegates concerned with economic problems quietly accomplished much of the work for which the Asian-African conference was intended.

In advance, they had seemed most likely to disagree on the taking of handouts from the nations who can afford to build battleships and atom bombs. But this was the No. 1 issue agreed to. Agreement was recorded in such fine phrases as "the assistance being received by certain participating countries from outside the region, through international or under bilateral arrangements, has made a valuable contribution."

About a third of the nations who attended the conference are taking direct aid from the United States.

Communist China was expected to make something out of Uncle Sam's big brother role. But the Reds did not raise their voices. Nobody said anything about the aid the Soviet Union sends to Peiping either.

Committee Actions
Once past this controversial issue, the economic committee speedily:

(1) agreed to exchange technical assistance, where one conference country could help another; (2) recommended the establishment of a special U.N. fund for economic development; (3) recognized the need to "stabilize commodity trade"; (4) recommended stabilizing international prices; (5) decided small nations should process more of their own raw materials; (6) suggested that shipping lines review their freight rates more often and adopt a more "reasonable attitude"; (7) encouraged the establishment of international and regional banks; (8) suggested a frank exchange of information on the oil industry; (9) urged speedy establishment of an international atomic energy agency to foster "development of nuclear energy for peaceful purposes"; (10) agreed to the appointment of liaison officers "for the exchange of information and ideas on matters of mutual interest"; and (11) recommended furthering their mutual economic interests without forming a regional bloc.

Mass Inoculation Of First And Second Graders Continues

HARRISBURG (P)—Thousands of Pennsylvania youngsters crowded into school clinics today to receive their shots of Salk antipolio vaccine which will protect them against the dread disease this summer.

Mass inoculation programs began in many counties of the state yesterday while other counties planned to start their injections today, tomorrow and Thursday.

Over 470,000 first and second graders in the commonwealth are eligible to receive the serum developed by Dr. Jonas E. Salk of the University of Pittsburgh.

Meanwhile Dr. Salk has been officially invited to receive "the tribute which he has so well earned" at a special session of the Pennsylvania General Assembly.

The House yesterday completed action on a resolution inviting the scientist to appear before the Legislature at an unspecified date. The proposal was adopted unanimously.

"We as representatives of the people of Pennsylvania wish to make our feelings known to Dr. Salk," it said. A copy will be sent to the professor.

Ten of the state's 67 counties have not yet received enough needles and syringes to start the program on an all-out basis.

But Dr. James Purvis, head of the State Health Department's Bureau of Epidemiology, said in some of the 10 counties the shots were started despite the lack of sufficient equipment.

"In these counties, there apparently were enough needles and syringes to start the program and continue it on a slower basis pending arrival of the equipment," he said.

The needles and syringes, he explained, are expected to be available starting Wednesday.

Dr. Purvis listed the counties with insufficient equipment as Berks, Bucks, Cambria, Erie, Fayette, Lawrence, Lehigh, Northampton, Northumberland and Schuylkill.

To Get 90 Per Cent

Inoculations are scheduled to begin in Philadelphia tomorrow and in Harrisburg Thursday. They began in Pittsburgh yesterday.

Referring to reports of a shortage of serum, Dr. Purvis said:

"The National Foundation for Infantile Paralysis told me last week that we (Pennsylvania) will receive only 90 per cent of our quoted need of serum."

"They said the amount was lowered because it (the foundation) feels that five per cent of the children will not be given their parents' signatures to take the shots and another five per cent will be absent from schools the day they are scheduled to get the inoculations."

He explained, however, that "records now in hand show that between 97 and 99 per cent of the eligible school children of Pennsylvania already have been signed up to take the shots."

Second Does Not Shipped

"This shipment," Dr. Purvis stressed, "contains only serum for the first shot. The serum for the second shot, to be taken between two and four weeks later, is not yet delivered."

And Dr. Berwyn F. Mattison, state health secretary, said that as far as Pennsylvania being 10 per cent short on its vaccine, "we were assured by the foundation that when we show that our youngsters

FIREMAN DIES IN BLAZE BLAST

WILKES-BARRE, Pa. (P)—Fire accompanied by an explosion took the life of a fire company commander and gutted a two-story building on South Main street in downtown Wilkes-Barre today.

Oliver Fraley, 52, commanding officer of a fire company, died of injuries suffered in a fall from a roof while fighting the fire at the Louis Atlas Store.

Mr. and Mrs. Frank Stivers, 87 and 76 respectively, occupants of second-story apartment over the store, reached safety by crawling out a window and climbing up to an adjoining roof. Stivers is blind.

Ninety firemen were summoned to battle the general alarm blaze. There was no estimate of damage and the cause of the fire was unknown.

Crawled Out Window

Firemen quoted Mr. and Mrs. Stivers as telling them that they were asleep when an explosion rocked their bedroom. They smell smoke and attempted to escape by the stairway but were forced to crawl out the window. They were found sitting on the roof. Stiver was scheduled for readmittance to the Wilkes-Barre General Hospital today.

did sign up and did show up at school to take the shots, the balance will be sent to us promptly."

That means, he pointed out, in some cases "cleanup clinics" will be necessary to give the last of the children their first shot.

"We are quite a few weeks away from the real polio season and I feel sure that we will have the shot program finished before school ends and long before the polio season is upon us," Dr. Mattison added.

REGION FORUM

zens Association, for their respective groups.

After these reports, the session will break up into four panels, with a moderator and four participants for each. Gettysburg College sociology students will serve as reporters for these discussions.

Approaches To Health

"How Do We Legislate Good Health?" will be discussed by Dr. Esther Bloss, head of the Gettysburg College Sociology Dept., moderator, and as participants, Carl R. Koch, superintendent of schools, Mechanicsburg; Charles F. Ferguson, executive secretary of the Community Service Committee, Pennsylvania CIO, Harrisburg; Mrs. Martha Forejt, president of the Pennsylvania State Nurses Association, McConnellsville, and Jack Schrept, business manager of the Lebanon Daily News.

"How Do We Educate for Good Health?" will be the topic of Raymond H. Koch, superintendent of schools, Columbia, moderator, and as participants, Mildred Coyle, school nursing advisor of the State Department of Public Instruction; Dr. Preston W. Thomas, deputy commissioner of mental health of the State Department of Welfare; Peter McGuire, chairman of the CIO Community Service Committee of Lebanon County, and Robert L. Richards, staff secretary of the Medical Society of the State of Pennsylvania.

"How Do We Promote Good Health?" will be discussed by Robert H. Conn, chief of the Division of Community Health, Bureau of Public Health Education, State Department of Health, moderator, and as participants, Grace Cox, chief of Psychological Services, Bureau of Mental Health, State Department of Welfare; Paul Bickler, executive secretary of the Family and Children's Service, Lebanon; James Higgins, assistant editor of the York Gazette and Daily, and Jack Joslin, industrial relations vice president of the York Corporation, York.

Dr. Putnam Coming

"How Do We Protect Good Health?" will be the topic of Rev. Dr. Dwight F. Putnam, formerly of Gettysburg, president of the Central Pennsylvania Synod of the Lutheran Church, moderator, and as participants, Helen C. Hubbell, in charge of the Bureau of Children's Services, State Department of Welfare; Dr. Mildred Pfeiffer, director of the Bureau of Chronic Diseases, State Department of Health; Louise Coira, chief of the Division of Dental Hygiene, Bureau of Dental Health, State Department of Health, and Max Silverstein, executive secretary of Pennsylvania Mental Health, Philadelphia.

Following these four panels, tea will be served in Brua Hall at 4:45 o'clock and special guests will be introduced. The dinner meeting will begin at 6:15 o'clock with Dr. Putnam giving the invocation.

Dr. Robert P. Wray, deputy secretary of the State Department of Public Assistance, will give a summary of the group meetings after which Mr. Ryan will speak. The conference will be adjourned by Mrs. Lorna Sylvester, regional chairman.

Covers 9 Counties

The program committee includes Mrs. Frank Kramer, Gettysburg, as hospitality chairman, and Miss Bettie Y. Livermore and Henry Phelps as local arrangements co-chairmen. The state president of the Pennsylvania Welfare Forum is Dr. Henry W. A. Hanson, Harrisburg, president emeritus of Gettysburg College.

The registration fee is fifty cents for members and a dollar for non-members, with students permitted to register without charge. The cost of the dinner will be \$1.75 per person.

The region includes Adams, Juniata, Perry, Dauphin, Cumberland, Lebanon, Franklin, York and Lancaster Counties.

25-CENT STATE LOTTERIES ARE ASKED IN BILL

HARRISBURG (P)—State-conducted lotteries, with 25-cent tickets to be sold through state liquor stores, is proposed in a House bill presented by Rep. Francis X. Muldowney (D-Phila.).

The measure would create a four-man state lottery commission, appointed by the governor, to conduct "lotteries or pools for profit daily except on Sundays."

The commission would have the power to determine the method of picking winners and 25 per cent of the proceeds would go for prizes. Tickets would be printed by the state Property and Supplies Department under the proposal.

The balance of revenues, after commission operating expenses, would be added to the general fund for paying general expenses of the state. The commission would be charged with reporting to the next session of the General Assembly with recommendations for legislation to improve future lotteries and pools "in a manner best to serve the interests of the people."

Referred To Committee
The lottery act would become effective immediately upon passage. It was referred to committee.

Other new House bills would: Create a state public health plumbing board to regulate plumbing requirements of municipal subdivisions—Richard O. Hass (D-York); and Clarence M. Lawyer (D-York).

Amend the state constitution to give veterans a \$500 exemption from tax assessments on real estate and personal property—Joshua Ellberg (D-Phila.) and Samuel W. Frank (D-Lehigh).

Appropriate nearly 5 million dollars to the University of Pennsylvania for general maintenance during the next two years—Martin P. Mullen (D-Phila.) and Sarah A. Anderson (D-Phila.).

Other Measures
Allow the sale of unused and unnecessary school land and buildings by unlicensed auctioneers—Allen M. Gibson (R-Warren).

Increase from 10 to 15 cents a mile the fee paid constables—Paul F. Luty (D-Allegheny).

Authorize a "Beaver-Ohio Valley extension" of the Pennsylvania turnpike—Robert K. Hamilton (D-Beaver), William B. Smith (D-Beaver) and Charles D. Stone (D-Beaver).

Change the title of game protectors to "wildlife officer"—Harris G. Breth (D-Clearfield) and Maurice L. Banker (R-Huntingdon).

to 234 pupils of the Upper Adams Jointure in the health rooms of the new grade school building at Biglerville. Fourteen youngsters were absent and "about 20" lacked consent slips.

Drs. Raymond Hale, P. J. McGlynn and B. C. Jones administered the shots. Nurses on duty included Miss Mildred Eden and Mrs. Violet Raffensperger, state nurses; Mrs. Wilda McBeth and Mrs. Ruth Crawford, school nurses; aides, Mrs. Francis Mason and Mrs. Doris Wahl with Arlene Sanders serving as clerk.

At Cashtown At 1 P.M.

This afternoon at 1 o'clock, Dr. Hale began giving the "shots" to First and Second graders at the Franklin Twp. Consolidated School at Cashtown with pupils of those grades from the Valley School being brought in to the Cashtown building for inoculation.

Of the 113 pupils enrolled in those grades, 105 have consent slips. Mrs. Gladys Border, school nurse, is assisting with the shots and Mrs. Wilbur Geyer is serving as clerk.

Here Tomorrow

On Wednesday the largest number of pupils scheduled for any day this week will receive the inoculations in the health room at the Gettysburg High School. All of the pupils of the first two grades in the Gettysburg jointure and the Gettysburg Parochial School will be taken there for the shots to be given by Drs. Raymond F. Sheely and Harrison F. Harbach.

Dr. C. G. Crist, the county medical director under whose supervision the inoculations are being given, said today Monday's operation ran smoothly, "much more smoothly than I had expected." He added that he was pleased with the cooperation received from school authorities and teachers and appreciated the volunteer help that is making the program possible.

Gettysburg High School students were also in attendance at the afternoon session. The visits were made under a continuing program of the Bar group by which various school groups attend court during the sessions.

Liberty Fireman To Head State Group

(Continued from Page 1)

PITTSBURGH (P)—Frank Chmielewski of Liberty is the newly elected president of the Volunteer Firemen's Assn. of Pennsylvania.

Chmielewski, who succeeds L. K. Johnston of DuBois, was elected Saturday at the windup of the association's two-day annual convention.

Other officers elected were:

Paul Bender, Wernersville, first vice president; P. R. Hilleman Jr., Curwensville, second vice president; J. W. Pennebaker, Lewisburg, third vice president; William J. Finch, Erie, secretary; J. Kassouf, West Mifflin, treasurer.

The association will hold its 1956 convention in DuBois next April. Other meetings will be held in Brookville June 24 as part of that community's sesqui-centennial celebration, in September at Windburne and in November at Windburne.

TO PETITION

last year soon after the Huber case was started in court, to prepare a "comprehensive plan," the petition asks that Council "further direct said commission to proceed at once to obtain the service of a competent professional consultant to assist them in the development and drafting of such a plan."

The final recommendation is that Council "enter into a contract with the consultant chosen by the Planning Commission and appropriate such sum of money from the borough revenues as may be sufficient to pay his fee for services to be performed in the current fiscal year."

Cite "Encroachment"

In its preamble the petition calls attention to "the encroachment of business and commercial enterprise upon the residential area of this community" and said "more extensive incursions are currently pending." Such incursions "substantially depreciate the values of the residential properties in the neighborhood thereof, create noise and activity and thereby disturb and annoy the residents of the area in the peaceful enjoyment of their homes and tend to attract further commercial ventures in the same location," the paper points out.

It is contended, too, that "it is in the interest of the entire community and all of its citizens to encourage home owning and preserve the residential sections of the borough... to foster civic pride and preserve the existing virtues of a community unique in its history, and the home town of the President of the United States."

Ignored Pleas To Return

A second Vickers Varsity, piloted by Flight Lt. Johnny Smiles, set off in pursuit. He watched the corporal roar back and forth across London at heights ranging from 20 to 1,000 feet. The fugitive several times crossed commercial flight lines and refused to answer by radio when Smiles tried to coax him back to Thorney Island.

A report that the plane had crashed and burned in England spring from Smiles' account of the chase. The flight lieutenant said the fleeing craft finally headed away from London and a few minutes later he saw a flash and then the flaming outlines of what appeared to be a plane on the ground.

Acting on Smiles' report, British authorities had sent out search parties at dawn today to look for the wreckage in the Epping Forest.

IKE'S FOREIGN TRADE PROGRAM IS IN TROUBLE

By JAMES MARLOW

Associated Press News Analyst
WASHINGTON (AP)—Despite President Eisenhower's plea to Congress not to tamper with his foreign trade program—it barely squeaked through the House untouched—it's in trouble in the Senate.

That program, which Eisenhower calls a cornerstone in dealing with friendly countries, is running into what OPA encountered, during and after the war, while it was still controlling prices. Businessmen paraded before congressional committees to say what they thought of continuing OPA another year.

One after another their story went like this: "I think OPA is necessary and should be continued. But in my special case there ought to be an exception. . . ."

How It Works
Eisenhower has asked Congress to continue the reciprocal trade program, already in existence 20 years, another three years. Its purpose is to increase world trade and prosperity here and among nations trading with the United States.

Briefly, it works like this: It lets the President lower tariffs on foreign goods imported here provided those same exporting countries agree to lower their tariffs on American goods sent to them. This means some American industries would have to compete at home with foreign-made goods. Various groups who might be af-

ected have fought against tariff cuts on imported, competitive products.

No later than yesterday Eisenhower said that to weaken the "administration proposals by crippling amendments would strike a severe blow at the cooperative efforts of the free nations to build up their economic and military defenses. It could mean a retreat to economic nationalism and isolationism."

Passed House

On Feb. 18 the program passed the House by a narrow margin but unchanged. Then it moved over to the Senate, where, before it could go up to the floor for a vote, the Senate Finance Committee examined it.

Last week Sen. George (D-Ga.), painting a picture of how an economically strong Japan would help offset the power of Red China in Asia, told the American Society of Newspaper Editors here:

"How can we turn back the clock to another day and say that the trade and commerce of the world, especially the free world, again should be circumvented and departmentalized to the point almost of the stagnation of that commerce? How can we do this and yet hope all free nations will become economically strong and prosperous?"

ELBE MEETING VETS HOPE TO VISIT MOSCOW

WASHINGTON (AP)—If they can get passports and money, 12 American World War II veterans hope to go to Moscow for a celebration of the meeting of U.S. and Soviet troops at the Elbe River in Germany 10 years ago.

The 12, members of a group calling themselves the American Veterans of the Elbe River Linkup, accepted a Russian invitation Sunday in a cable saying without qualification that "we will leave for Moscow in a few days."

But Joseph Polowsky, of Chicago, secretary of the group, conceded that funds must be raised to finance the trip, although he said, "We'll try to figure out something."

There was no official indication what attitude the State Department might take when the men apply for passports.

Celebrate Monday

Both Polowsky's group and the Elbe Day National Veterans Committee—a group set up by five veterans' organizations—celebrate Monday the meeting of Russian and American troops at the Elbe April 25, 1945. Armies of the two nations had been fighting across Germany from opposite directions.

Polowsky's group is composed of men actually present at the meeting of the troops. The Moscow celebration is planned for May 9, the day Russia recognizes as the end of the fighting with Germany.

QUIGLEY ASKS PROBE OF TV

Rep. James M. Quigley announced Sunday that he has asked the House Interstate and Foreign Commerce committee to launch an investigation in suspected television monopolies.

Quigley said he believed the television industry is being affected by monopolies and that the Federal

Communications Commission has been issuing decisions and regulations which make true competition in the industry difficult.

Louis J. Appel Jr., president of Susquehanna Broadcasting Company, suggested a five-point change of regulations which Quigley said merited careful consideration.

They are:

Require stations to locate transmitters as close as possible to the

CRIME RATE ROSE DURING '54, FBI SAYS

WASHINGTON (AP)—The U. S. crime rate took another 5 per cent jump in 1954, with major offenses estimated at 2,267,350, FBI Director J. Edgar Hoover, reported Monday.

This translates into one major crime committed every 13.9 seconds. Hoover noted that last year was the seventh consecutive year in which the crime rate rose, and the third straight year in which more than two million serious offenses occurred.

The statistics, published in the FBI's annual Uniform Crime Reports, showed that while the nation's population grew by 7 per cent since 1950, the crime rate was increasing by 26.7 per cent during the same period.

Data Supplied
The 1954 figures were based on data supplied to the FBI by 5,767 law enforcement agencies covering 90 per cent of the population. These reports indicated that for every day in 1954, an estimated 34 persons were feloniously slain and 256 other felonious assaults were committed; 40 rapes occurred; 3,674 larcenies were committed; 592 cars were stolen; and

The rise in the crime rate last year was largely due to increases in robbery (6.8 per cent), burglary (8.4 per cent) and larceny (5.8 per cent).

Murders Off
Murders dropped off 4.3 per cent in both city and rural areas and auto thefts declined 4.7 per cent. Rapes showed a 0.7 per cent increase and aggravated assaults rose 1 per cent.

I asked the BLUE CROSS Enrollment Director* how the cost of my membership is determined. I think you'll be interested in what he told me . . .

*O. Leon Gonzalez, Enrollment Director of Blue Cross in Central Pennsylvania

MEMBER: How does BLUE CROSS arrive at its subscription rates for members?

MR. GONZALEZ: I'll be glad to explain it. You, as an accountant, will appreciate the three factors involved in its calculation. First is the average cost per day of hospital care. In Central Pennsylvania, that has gone up substantially in the past two years, due to improved salaries, wages and hours for hospital employees, as well as many new methods, procedures and medications.

MEMBER: I can easily see how this would affect the cost of BLUE CROSS protection. What else must be taken into consideration?

MR. GONZALEZ: The second factor is the number of Blue Cross members, in proportion to total membership, requiring hospital care. In recent years this figure too has steadily gone up.

MEMBER: And what is the third factor which determines the cost of my Blue Cross membership?

MR. GONZALEZ: We must consider how long, on the average, patients remain in the hospital. In this area the average length of hospital stay has remained consistently higher than the national average.

MEMBER: These three factors—the number of patients, how long they stay, and the cost of their services—must add up to quite an increase in cost to Blue Cross.

MR. GONZALEZ: That's right. And that is why the Insurance Department has approved the adjustment in membership rates and benefits to be effective in June, so that Blue Cross can satisfactorily meet the demands for more and better hospital care.

If you and your family do not have Blue Cross protection against the cost of hospital care, mail this coupon for full details . . . now!

SURVIVAL CITY GETS REPRIEVE FROM WEATHER

By BILL BECKER
SURVIVAL CITY, Nev. (AP) — This model community in the desert, given a 24-hour reprieve, is ready and waiting for the big nuclear blast now set for tomorrow morning, weather permitting.
While sand swept around the jaunty little homes on Domesday Drive, veteran test officials scanned their weather charts for signs of assurance that no further postponements would be necessary. They were not overoptimistic, however.
The test organization said after postponing the shot yesterday that it could not take the risk of radiation fallout posed by high crosswinds and cloudiness.
Chafed At Delay
Yesterday's postponement was the fourth time in this series that a 500-foot tower shot had to be delayed under the cautious policy of the Atomic Energy Commission.
This greatest of all public tests involves more than 5,000 persons—military, civilian defense and government-sponsored, plus news, radio and TV men.
The delay chafed eager volunteers of the Federal Civil Defense Administration who plan to take up trench positions on the outskirts (3,500 yards) of this test town on Yucca Flat. Seven women and 14 men are slated to be in the six-foot trench.
13 Tests In Series
Forty NATO observers from 12 nations toured the test site yesterday. They will view the big detonation from News Nob, nine miles away, along with about 400 reporters and 600 civil defense observers.
Television and radio broadcasts of the shot will be moved ahead from Tuesday to the day of the blast.
This is the 13th scheduled test in the 1955 atomic series, which an AEC aide, Dr. E. B. Doll of Stanford Research Institute, said has provided many definite answers to blast characteristics at various altitudes.
Mix grated cheese with mayonnaise; spread on slices of bread; sprinkle generously with paprika. Bake in a hot oven until cheese melts. Good along with a cooked green vegetable for lunch. Sliced fresh tomatoes make a fine accompaniment to these open cheese sandwiches, too.

Worley Co-Sponsor Of House Measure

HARRISBURG (AP)—A new House bill would provide \$60,000 for improvements to the sanitary and surface drainage sewage disposal system at Shippensburg State Teachers College.
The appropriation is requested in a measure introduced yesterday by Reps. Francis Worley (R-Adams) and Karl B. Guss (D-Juniata). It would provide the state's share of expenses already incurred by the borough of Shippensburg.
The delay chafed eager volunteers of the Federal Civil Defense Administration who plan to take up trench positions on the outskirts (3,500 yards) of this test town on Yucca Flat. Seven women and 14 men are slated to be in the six-foot trench.

RIDGWAY SAYS SOVIET ARMY IS STRONGEST

By FRED S. HOFFMAN
WASHINGTON (AP)—Gen. Matthew B. Ridgway says the Soviet army is "the most powerful land combat force in being today."
Ridgway, U.S. Army chief of staff, gave that estimate of Russian land strength during February testimony at a closed door session of a House Appropriations subcommittee. Ridgway's testimony was made public last night.
He said the Soviet army is in an "excellent over-all state of combat readiness" and is "equipped and disposed to undertake a major war with little warning."
Have Atomic Training
He said Soviet forces have been given "atomic warfare training" along with their conventional military exercises. He spoke of a "substantial improvement" in the "mobility, firepower and combat readiness" of the Russian army.
Moreover, he said, other Communist armies in Asia and Europe are being brought up to date with Russian help and "are gradually being molded into effective modern forces."
Ridgway, who has been outspoken in opposing Army manpower reductions, related that the Army had nearly completed its budget requests based on a reduced "new look" force of 1,173,000 by mid-1956 when Secretary of Defense Wilson directed him to trim his plans to 1,102,000. This cutback is expected to save \$40 million dollars in the year starting July 1.
"Little Warning"
The Army chief of staff said Wilson's new order came with "little warning." He said that "as far as I know there were no opportunities to present our views before the National Security Council," the nation's top military planning body headed by President Eisenhower.
However, Ridgway said Eisenhower had been kept informed of his view that the cutback would weaken the effectiveness of both the Army and the over-all U.S. military force. Although opposed to the Army cuts, Ridgway said he would follow orders.
Ridgway voiced the opinion that the relative combat effectiveness of Communist and free world forces "has altered to our disadvantage in the last 24 months."

ROBERTSON ON SURPRISE VISIT TO QUEMOY ISLE

By FRED HAMPSON
TAIPEI, Formosa (AP)—U.S. Asst. Secretary of State Walter Robertson made a surprise flying visit to the disputed offshore island of Quemoy today.
He was accompanied by Chinese Nationalist Defense Minister Yu Ta-wei, Foreign Minister George Yeh and Maj. Gen. William C. Chase, chief of the American Military Assistance Advisory Group on Formosa.
The trip was kept secret until the party returned to Formosa.
Mystery Remains
Meanwhile, hope and fear held alternate sway in official Taipei as mystery continued to surround the mission of Robertson and Adm. Arthur Radford, chairman of the U.S. Joint Chiefs of Staff. Radford apparently did not make the flight to Quemoy. It was announced that he remained in bed with a cold at the home of Generalissimo Chiang Kai-shek, where he and Robertson are house guests.
Nationalist uncertainties were stirred too by the swing of world reaction in favor of Red China's offer to negotiate with the United States on the Formosa question.
Few details were given of Robertson's visit to Quemoy.

Hey Folks! Tune in Disneyland on ABC-TV. See TV listing for time and channel!

at the flick of a SWITCH...

you can beat the heat with an electric air conditioner

Gone are the days when summer heat and humidity just had to be accepted. Today you can control your own weather. With modern air conditioning you'll feel better, work better, rest better.

Important, too, is the fact that all these benefits are within easy reach. Installing a modern room air conditioner is simple. It requires no piping connections. The cost of operation is but a few pennies a day. And larger installations for restaurants, barber shops, offices, retail stores and other businesses can be paid for quickly out of increased profits.

Plan now to beat the heat. Get the facts on how easily it can be installed.

At the flick of a switch ... air conditioning gives you four benefits

1. **Cool Air** ... at comfortable, healthy temperatures.
2. **Lower Humidity** ... eliminates that "stuffy", oppressive feeling.
3. **Clean Air** ... filtered to reduce dust, smoke and pollen.
4. **Circulated Air** ... assures pleasing year 'round ventilation.

Metropolitan Edison Company SUGGESTS YOU CONSULT YOUR AIR CONDITIONING OR APPLIANCE DEALER FOR COMPLETE INFORMATION.

in your home
Kitchen, living room, rumpus room, bedroom—any one or all can be delightfully cool and comfortable on the hottest day.

in your office
Test after test proves the same fact — employees work better, make fewer mistakes in an air conditioned office. No afternoon work "slump".

in your business
The cash register rings more often in the business that's air conditioned. Customer traffic increases. Makes shopping a pleasure.

PROFESSIONAL LIBRARIAN IS SOUGHT FOR PA.

HARRISBURG (P)—The Pennsylvania Library Assn. and other local library groups today advanced a move to have the commonwealth's library put into the hands of a professional librarian.

The statewide organization adopted a resolution recommending that Gov. George M. Leader appoint a "qualified librarian" to fill the post of Pennsylvania state librarian vacated two weeks ago by Douglas A. Portzlein.

Portzlein, who held the \$8,900-a-year position on an acting basis for almost 2½ years, resigned to enter private business in Selinsgrove.

"There is no doubt about it, running the state library is a big job and certainly one that should be handled by a trained librarian that knows the professional field," said Dr. Carl Seifert, deputy superintendent of public instruction.

"The post calls for not only handling the regular library work but also calls for an administrator to carry on the functions of the library agency," he added.

Portzlein was appointed to succeed Dr. Alfred Keator, who retired about three years ago. The state library located at the capitol now is headed by Miss Nellie Stevens pending appointment of a new head by Gov. Leader.

Miss Stevens said Lester Stoffel, Easton, president of the state library assn., met with Leader about two weeks ago to discuss the appointment of a professional librarian.

Asks \$107,500 For Sleighton School

HARRISBURG (P)—The Legislature is asked to appropriate \$107,500 for the state-aided Sleighton Farm School for Girls, Delaware County, in two bills sponsored by Rep. Edwin E. Lippincott (R-Delaware).

One measure would give \$12,500 to the school for female juveniles for maintenance during the two years beginning June 1. The other would grant the institution \$55,000 for the remodeling of Lucretia Mott Cottage to provide an adequate infirmary.

The remaining \$40,000 grant would go toward installing heating facilities in each of the sleeping rooms of cottages occupied by the girls.

The bills were due to be referred to the Appropriations Committee.

Lock Haven State Teachers College and chairman of the West Branch District Library Assn., said his group adopted a resolution Saturday at a meeting in Danville to urge Leader to appoint a professional state librarian head.

Dr. Seifert said the library contains 500,000 volumes. In addition to arranging the volumes, the library head also handles the state library's extension program for public schools and administers state aid for library assistance to counties and communities.

"Through the last three years numerous appeals have been made by library associations asking that the post be filled on a regular basis by a professional librarian," Dr. Seifert explained.

"I feel they (the associations) are right in asking that a trained, qualified person be appointed to head the state library," he added.

AP CITES GAIN IN NEWS COVERAGE

NEW YORK (P)—The Associated Press news report became "better than ever" in the past year through increased scope and depth of coverage, the AP Board of Directors said Monday.

The directors reported that the AP fulfilled "a solemn obligation to provide news and information vital to intelligent decisions on public questions of enduring importance."

This was accomplished, they said, by "skillful, forthright, objective and fearless reporting" that enabled the public to keep abreast of developments "in today's changing and eventful world."

The board's report was read at the AP annual membership meeting in the Waldorf-Astoria Hotel prior to a luncheon address by President Eisenhower. More than 1,300 of the nation's editors and publishers heard the President.

Members of the AP, a worldwide news cooperative, voted for six directors and considered the applications of 23 associate members for regular membership. Convening of the AP members signaled the opening of Newspaper Week in New York. The American Newspaper Publishers Assn. will hold its annual convention the next two days.
